## STATUS INQUIRY

Sir:

More than seven months have passed since the issuance by the Board of Appeals of a Decision remanding the foregoing reissue application to the Examiner in view of the precedential opinion in Eggert et al. Since no further communication has been received from the Patent Office since the Board's decision dated July 31, 2003, attorney for applicants would appreciate receiving an indication as to the approximate date on which an action may be expected. A discussion with Examiner Vigushin on November 4, 2003 indicated that he has not yet received the Remand. However, that was almost four months ago. A stamped return-addressed envelope is being provided to facilitate a prompt reply.
